THINK ABOUT WHO YOU KNOW

Personal relationships can be more than just family and friends!

1. Family – consider more than just your immediate family and include people you might see over the holidays or relatives who live beyond your local community.

2. Friends – this includes your close friends as well as your acquaintances. Consider friends from different times in your life: childhood, high school, college and beyond! Also think about groups that you belong to: PTA, social clubs, gyms, etc.

3. Community groups – think about other organizations such as church, civic, religious, volunteer activities and virtual groups.

4. Businesses you frequent – consider asking your doctor, hairdresser, dry cleaner or local coffee shop. Any of these people may want to give if you ask.

5. Neighbors – use fundraising as a way to meet people in your neighborhood.

6. Co-workers and clients – start with your current colleagues, then reach out to former co-workers as well. Ask your business clients, partners, vendors and even fellow alumni!
